Backed by a select group of loyal distributors, Encore Wire Corporation delivers exceptional value and customer service. To learn more, visit www.encorewire.com.

Challenges

- Expand functionality of financial management beyond report writing.
- Increase access to business data.
- Improve ability to make business decisions using accurate financial information.
- Streamline and standardize business processes.

Benefits

- Accessed comprehensive financial management system with enhanced functionality.
- Enabled retrieval of business data for greater flexibility in reporting.
- Augmented ability to compare and analyze information.
- Reduced time to prepare reports by 50%.

“Our initial goal was a financial management solution that would provide us with greater reporting capabilities. With Infor F9’s templates, we can compare and analyze more information from various times. The result is greater control and enhanced decision-making.”

—Matt Ford, Controller,
Encore Wire Corporation
